Las cuchillas se suministran de acuerdo a la aplicación y especificaciones del cliente, siendo las más habituales:

- Inox martensítico (Wnr.1.4112)
- Alto cromo alto carbono (Wnr.1.2379)
- Aceros de herramientas (Wnr.1.8159, Etc..)

Dependiendo de las aplicaciones y requerimientos técnicos se realizan tratamientos especiales y recubrimientos tipo:

- Cataforesis
- Cromo duro
- Nitruro de titanio (tin)

The knives are supplied according the purpose and customer requirements. The most commons are:

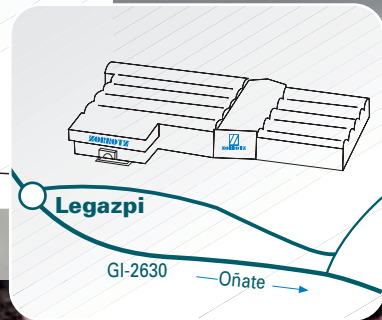

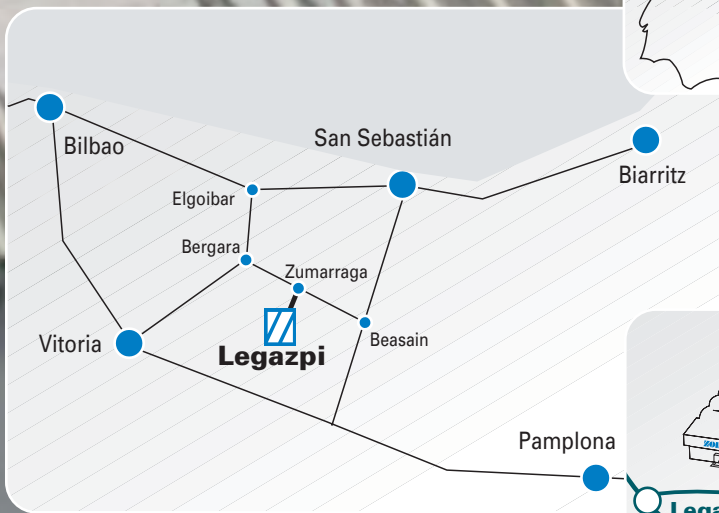

- Stainless steel (Wnr.1.4112)
- High carbon high chrome (Wnr.1.2379)
- Tooling steels (Wnr.1.8159, Etc..)

Depends on the application and technical specifications we provide different treatments and coatings as following:

- Electrophoresis
- Hard chrome
- Titanium nitride
